MGPS EARLY CLOSURE AT 12H30 ON THURSDAY 18 APRIL FOR EASTER HOLIDAYS

Manor Gardens Primary School will be closing at 12h30 on Thursday 18 April 2019 for the Easter holidays. A circular was sent advising that all KwaZulu-Natal Provincial Government Departments will officially close early. This early closing concession is not applicable to essential services, however, it is applicable to all schools in the province. Please collect your child timeously at 12h30.

The aftercare will also close at 12h30.

CONQUESTA 2019 Grades 4 – 6: Mrs Marshall-Connellan

MGPS is participating in the Conquesta Maths Olympiad later this year. The Mathematics paper is multiple choice and covers a range of problem solving strategies. It will be completed in class as part of our ongoing Mathematics programme. Participation costs R35.00 per pupil and we encourage all pupils to enter. Please send R35.00 with your child's full name and grade in an envelope marked 'Conquesta' to the class teacher by **Thursday 18 April 2019** as we need to register as soon as possible.

CAR PARK SAFETY AND COURTESY

While we appreciate that we all have busy lives and jobs to get to the mornings, nothing is so urgent as to sacrifice the safety of our children and ruin our relationships by being discourteous and ill-disciplined drivers.

In the interest of safety and cordiality, please only drop children off inside the spacious MGPS car park that has been designed for quick, efficient and safe collections and comply with the following existing car park rules:

- Drive slowly.
- Do not park parallel to Dale Road inside or outside the parking lot. This reduces the number of children crossing the car park and endangering themselves by not being visible to the motorist of oncoming or reversing vehicles.
- Traffic cones have been placed in the car park to stop parents from parking parallel with Dale Road and obstructing the view of pedestrians and motorists and putting their lives and vehicles at risk.
- Only park on one side of the car park, in the diagonal parking bays.
- Reverse with caution.
- Additional parking is available on the grass verge beyond the parking area in Dale Road particularly for parents who need to leave their vehicles and enter the school.
- Do not park on the pavements on either side of Dale Road to drop off and collect children because you increase the risk of children and passing pedestrians being involved in an accident.
- Only allow your child to cross Dale Road or the carpark at the clearly marked pedestrian crossing manned by the school's scholar patrol.
- Do not stop in Dale road to drop off or collect your children.

We look forward to your co-operation in maintaining a safe car park, courteous motorists and cordial relations.

APPLICATION FOR SIBLINGS IN 2020

Acceptance of siblings is not automatic. Please return all application forms as soon as possible.
