Dear Parents

SCHOOL FEES 2022

The proposed budget for 2022 was considered and approved at the Annual Budget Meeting held on 02 November 2021. The school fees for 2022 will be **R 33 820.00** for Grade R pupils; **R31 930.00** for Grade 1 – 7 pupils. The payment of these school fees is compulsory in terms of the South African Schools Act (No. 84 of 1996). In order for us to continue providing an excellent education at Manor Gardens Primary School, it is essential that parents pay school fees in full and timeously. Please note that the state only pays for 14 teachers and one general assistant. The school pays for 18 teachers, 5 general assistants, 4 admin staff, 2 sports coordinators and several sports coaches through funds generated by the payment of school fees.

A resolution was adopted at the Annual Budget Meeting held on 02 November 2021, that the Governing Body applies the South African Schools Act (No. 84 of 1996) procedure and criteria for partial or full exemption of parents from the payment of school fees if applicable and justified. Please note, however, that both parents are liable for school fees until an exemption application has been approved. A copy of the regulations relating to the exemption of school fees is available at the school. All applications will be held in strictest confidence. Should you require an exemption form please advise the Governing Body in writing.

The 2022 school fee payment commitment forms attached to this letter need to be filled in by both parents or both guardians and submitted by **Monday 22 November 2021**. Any payments made should be to the following account:
