

The Horizon Mathematics Competition 2023

Manor Gardens children from grades 5, 6 and 7 have participated in the Horizon Maths Competition since it was initiated in 2002. The competition takes place over two rounds. The first round this year involved over 5 000 children from schools across KZN. The children who achieved 50% or above from each school were invited to write the second round at Star College. Over 1 100 children from 17 schools wrote this round.

25 children from Manor Gardens were placed in the top 100, with 5 children in the top 10.

We are very proud of the following children:

Position	Name	Grade
